Guidance Note For Students**Regarding Registration of Electives 4th Semester – 2019****A. Student's choice of a PE (Professional Elective) may be from:****1. Courses offered by the PD (Parent Dept.)**

These may be deemed allotted provided pre-requisites (if any) are fulfilled. The only reason the elective may not be allotted may be if the Department decides not to offer the course for any reason including not receiving the minimum number of applications.

2. Courses available online and listed as Approved / Recommended by the Dept

These may be deemed allotted but the responsibility of online registration, completion of the course and submission of certificates to earn the credits are entirely the student's.

3. Courses offered by ODs (Other Depts.) and approved by the PD as permitted PEs.

The decision to offer or be admitted / registered for the offered course is entirely at the discretion of the Department offering the courses.

4. Special Conditions opting for some courses:

For Photography courses, students able to get their own Professional cameras only may apply

For Digital 2 D Studio course, students able to get their own Laptops only may apply

For Egg Tempera Techniques course, students should bring their own Drawing Boards

B. Student's choice of an OE (Open Elective) may be from:**1. Any of the listed courses on offer in the University ***

Provided the timetables facilitate and the PD 'admits / registers' the student for the course.

2. Any of the online courses available**3. Any course in any other institution recognized by the UGC/ AICTE/ State Govt./ MHRD, etc.**

* **Note** : In the case of core courses offered by ODs as 'Open' courses, their timetable slots will be put up only after applications have been received. It is possible that the timetable slots may be outside the regular class hours and may also be on Saturdays.
